Morris and Beatriz brought up a discussion about the capacity for attendance and how to consider how many people we can accommodate in the different venues.
- Gary spoke about the vision for the coming website upgrade that will include user accounts to interact with transcripts in various ways, a redesign, a section for beginners, and more.
- Taking place just a few days after the 2024 Homecoming Gathering opened, the group discussed how the gathering had filled up in an hour and a wait list ballooned thereafter. Gary discussed how, following Trisha's proposal and leadership, L/L would hold two Coming Home to a New Earth gatherings this year, one west coast, one east coast. The Board discussed the changing landscape with approval of and encouragement for L/L's attempt to meet this growing need.
- Morris cautioned against overburdening the operation and burnout.

Adjournment

Morris moved to adjourn at 8:53pm ET. Motion seconded by Jim.

Meeting minutes approved via email follow up sometime thereafter in the third density.
