## INTENSIVE MEDITATION OCTOBER 6, 1995

*(Jim channeling)*

I am Laitos, and greet you, my friends, in the love and in the light of our infinite Creator. It is our privilege to join your group again for the purpose of working with the new instrument known as K. We were, before contacting this instrument, attempting to initiate a contact through the one known as K. From time to time we use this technique with an instrument who has progressed to the point of being able to speak a phrase or two after identifying our contact. It is always helpful to be able to make one more step upon this journey by expanding the abilities whenever possible. We do not wish to rush any new instrument past the point of confidence, yet we shall always provide the opportunity for a new instrument to continue to expand its abilities.

This is true for all instruments, in fact, for even with an instrument which has practiced its art for many of your years, there is the constant opportunity to expand such an instrument's capabilities by presenting concepts of greater scope and, shall we say, intricacy, though we do not mean to suggest complexity.

At this time we would attempt to transfer our contact to the one known as K, and when this new instrument is comfortable with the conditioning vibration which we offer, we would then speak a few words through this new instrument. Again, we would remind the one known as K that we are

happy to adjust our conditioning vibration if it is not comfortable to begin with. As always, we remind that new instrument that refraining from analysis is most helpful in speaking those concepts which appear within the mind. We would transfer this contact at this time. I am Laitos.

*(K channeling)*

I am Laitos, and greet you, my friends, in the love and the light of the one infinite Creator. *(Inaudible)* for the purpose of transmitting our thoughts to you at this time. We do not wish to see you [hurried] *(inaudible)*. It is our wish to convey as much as possible through this instrument. At this time *(inaudible)*. I am Laitos.

*(Jim channeling)*

I am Laitos, and greet each of you again in love and light through this instrument. We are very pleased with the progress which the one known as K has made since our last session together, and we continue to applaud this new instrument's efforts and willingness to take one further step and to move yet further upon the limb which continues to hold this instrument firmly.

At this time we would pause for the opportunity to respond to any queries which those present may find value in asking. May we attempt any query at this time?

**K:** I don't think I have any questions now, thank you.

**Carla:** Nor I, thank you.

I am Laitos, and we thank each of you for affirming that which we had discovered ourselves. We are always happy when there are queries, for this allows us the opportunity to discover how the progress in the new instrument's learning of vocal channeling is taking form, for queries are those gifts which we honor due to the new avenues of thought which they open. We are also pleased when there are no such queries, for in that situation we may assume that what we have offered has been utilized to its fullest and is ready for further expansion, shall we say.

At this time we would make one final contact with the one known as K in order that she might perhaps discover another facet of this ability. We transfer this contact at this time. I am Laitos.

*(Kim channeling)*

I am Laitos, and I greet you again in the love of the Creator. We wish to make known to you that there is progress being made even though you may not feel it at this time. We also wish to say that we thank you for your presence here, for it provides us with an opportunity to be of service with you. We ask now that you put aside your own thoughts of analysis (*inaudible*) and take [part] in [the] continuing adventure which is (*inaudible*) is [of] the Creator. We ask you to rejoice with us, for it is a merry life if you choose it to be, and we wish you happiness in your in (*inaudible*) difficulties and hardships. (*Inaudible*) understand [that]. We perhaps have more perspective [on] things that are happening to you [than you]. (*Inaudible*) journey (*inaudible*).

[Undertaking of this adventure] which you are on. It is not easy to understand and in fact you are [not asked to do so] but only to love, for in this way (*inaudible*) for (*inaudible*) together it is wise lending cohesiveness to all [that you do] (*inaudible*) for what you are and do. Love is the connector to (*inaudible*). [Such as we consider it to be] and (*inaudible*) the action that one may take.

At this time we leave you loved ones rejoicing in the love and in the light of the one infinite Creator. We are [pleased] for having two (*inaudible*). I am Laitos. Adonai.
